This is the area of greatest importance! This is the Internet, where your business can be seen as a fantastic place to shop. Remember, on the Internet, your business is just as big as the other businesses that you compete with. Make sure you are truthful, make your web page interesting, and most important make it sell your products and/or services.

MAKE YOUR COUPONS / SPECIALS WORTH COMING TO BUY!

Next page is very important: tell us the "what" about your business that's important enough for the public to know. If you need help with this form, check with your family and friends. Make it your very best. Be sure to write so that we can read it. Printing may be the way to go. If your family and friends can't read it, there is a good chance that we can't either. It may be a good idea to type it out, or use your computer to print it out.
